

Amendments to the Specification

All amendments are shown with deleted text struckthrough or double bracketed and new text underlined.

Please replace Paragraph [0006] with the following amended paragraph.

[0006] An integrated circuit has ~~a~~-circuitry and pins coupled to the circuitry. One of the pins is a non-dedicated reset pin having a pin signal that is set at a level outside of a normal range for the pin signal so that the integrated circuit is indicated to reset.

Please replace the Abstract with the following amended Abstract.

An integrated circuit has ~~a~~-circuitry and pins coupled to the circuitry. One of the pins is a non-dedicated reset pin having a pin signal that is set at a level outside of a normal range for the pin signal so that the integrated circuit is indicated to reset.
